10:00 am - 10:45 am

Registration is closed.

Registration is closed.

Program details:

Babies age 2 and under

In this fun program your baby will get the chance to engage in sensory play and learn more about the environment around them. We'll start with songs, rhymes, and bounces, then give you a chance to explore a variety of sensory activities with your child, including paint, sand, and water play. Please note: This program could get very messy, so come prepared with a change of clothes for after the fun. In case of inclement weather, this program will be adjusted to an indoor program.

Location: Outside
